

Wednesday 9th September 2026

Dear Parent/Carer,

Re: Year 5 Science Museum Trip

We are delighted to inform you on **Friday 9th October 2026**, Year 5 will be visiting the Science Museum in London to further develop and consolidate their learning about forces this half term.

During the visit, the children will have the opportunity to explore a range of fascinating scientific galleries and take part in an exciting 45 minute live show focused on forces. The show will be a dynamic and engaging experience, featuring a variety of scientific experiments and demonstrations.

The cost of the trip is **£5.00 per child**, which covers the cost of the live show.

Travel arrangements

We will be travelling to and from the Science Museum by train and London Underground. We will leave school at approximately **9:15am** and expect to return by **3:00pm**.

There will be a limited number of places available for parent volunteers. These will be allocated on a first come, first served basis. If you would like to volunteer, please speak to your child's class teacher as soon as possible.

What your child will need

All children should:

- Wear their school uniform.
- Wear comfortable, suitable shoes for walking.
- Bring a packed lunch.

As all children are entitled to a free school meal, we are able to provide a school packed lunch for those who require one. If you would like your child to have a school packed lunch, please let their class teacher know in advance.

Please provide your consent and payment of £5.00 via Arbor by **Monday 5th October 2026**. If you have any questions or concerns regarding the trip, please do not hesitate to speak to a member of the Year 5 team. We will be happy to discuss any queries you may have and help to ensure that your child is fully prepared for the visit.

Yours Sincerely
Year 5 Team
