

Monday 28th September 2026

Dear Parents and Carers,

RE: Natural History Museum & Ice Skating

We are pleased to let you know that the children in Year 6 will be taking part in two exciting educational visits this term.

On **Thursday 12th November 2026**, the children will be visiting the Natural History Museum. They will have the opportunity to explore the exhibits and take part in a workshop focusing on Evolution and Inheritance, which links to our Science unit next half term.

We will be travelling by train, leaving school at 9:15am and returning to school by 3:15pm, in time for the children to be dismissed as normal.

On **Wednesday 9th December 2026**, the children will visit the National Maritime Museum and take part in an ice skating activity at the Queen's House in Greenwich.

We will be travelling by bus, leaving school at 9:30am and returning by 3:15pm for normal dismissal.

The total cost for both trips is £8.50 per child.

For both visits, children will need to wear their full school uniform. Please ensure that your child wears a suitable coat and sensible, comfortable shoes or trainers and brings a packed lunch and a drink.

If your child requires a school packed lunch, please let the school office know by Monday 2nd November 2026 at the latest.

Please note that attendance on each trip will be subject to positive behaviour in school.

To give permission for your child to attend and to make payment, please log in to [Arbor](#).

If you have any questions or require any further information, please speak to your class teacher.

Thank you very much for your continued support. We are looking forward to giving the children two enjoyable and memorable learning experiences.

Best wishes,

The Year Six Team
