Dear Parents/Carers,

**RE: CGP revision books**

As we look ahead to the upcoming Key Stage 2 SATs in May, we want to ensure our pupils feel confident and fully supported.

To help them revise at home, we highly recommend CGP revision and practice books. CGP offers a wide range of formats including Study Books, Question Workbooks, 10-Minute Tests, and Practice Papers to suit different learning styles.

We strongly suggest focusing on the following core areas:

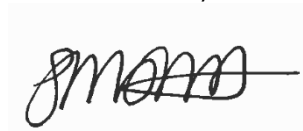

- Reading
- Maths (Arithmetic & Reasoning)
- SPaG (Spelling, Punctuation, and Grammar)

You can browse the full range and order books directly to your home via the official CGP website: [CGP Revision books](#)

Completing small, regular practice sessions at home is one of the best ways to build familiarity with the test formats and boost your child's confidence ahead of May.

Thank you for your continued support. Please do not hesitate to reach out if you have any questions.

Yours sincerely,

Mrs Morton  
Upper Key Stage 2 Lead
